

## WHAT IS ZONTA?

Zonta is an international service organization working to improve the status of women both locally and globally. (Visit at [www.zonta.org](http://www.zonta.org).)

The Zonta Club of Northern Valley and its non-profit foundation, work to support local charities as well as give scholarships to single parent women who are improving their education. The Club also supports the service projects of Zonta International all over the world. Zonta International, through its United Nations Committee, enjoys non-governmental status at the United Nations in New York City as well as Geneva. Among the issues up-permost in Zonta's mission are eliminating domestic violence, trafficking in persons, and assuring women political and economic equality.

## BE PART OF THE R.A.V.E. WALK

For many years, both the Center For Hope And Safety (formerly SOS), healingSPACE (YWCA of Bergen County) and Women's Rights Information Center have been helping women deal with the trauma of domestic and sexual violence as well as providing the practical, emotional and psychological support needed for survivors to begin the healing process and carry on with their lives. These organizations are making a difference in the lives of women. Help us help them make a difference. All proceeds from the Walk are shared by them.
