October is Domestic Violence Awareness Month

Domestic violence—also known as intimate partner violence—impacts millions of people annually in the United States. This includes women, men, and children.

Domestic violence happens everywhere, including right here in Bergen County.

**90%
OF BERGEN COUNTY HOMICIDES
ARE LINKED TO DOMESTIC VIOLENCE**

Last year, Center for Hope & Safety served more than 1,600 Bergen County adults and children. Many more are suffering from domestic abuse but unable to leave for a myriad of reasons.

How can you help?

Walk with us on Saturday, October 26, for a family-friendly 3K walk through Van Saun Park in Paramus to show your support...

- For all the adults and children who are living with abuse
- For all the survivors who are on their journey to safety and hope
- For all the family members and friends who support those impacted by domestic violence
- For all the emergency, medical, and mental health professionals who support the path to healing
- For all those who have lost loved ones because of domestic violence

We walk for hope, safety and change.

Your participation will support the work of Center for Hope & Safety's comprehensive suite of services that allow our clients to rebuild their lives.

Our Walk is a festive event of solidarity and support.

Everyone wears **purple**—the color for domestic violence awareness—in fun and creative ways and this year, we will present participant awards (and a shout out on social media) for the most spirit (individual & team), most dollars raised (individual & team), and largest team!

Register for our walk by scanning the QR code on the back of this flyer. Together let's spread domestic violence awareness and increase prevention in Bergen County.
